What you need to know to travel:

Anytime

- Don't forget to check in for your flight(s) 24 hours before your trip on southwest.com or your mobile device. This will secure your boarding position on your flights.
- Southwest Airlines does not have assigned seats, so you can choose your seat when you board

the plane. You will be assigned a boarding position based on your checkin time. The earlier you check in, within 24 hours of your flight, the earlier you get to board.

 WiFi, TV, and related services and amenities may vary and are subject to change based on assigned aircraft. <u>Leam more</u>.

Remember to be in the gate area on time and ready to board:

30 minutes prior to scheduled departure time: We may begin boarding as early as 30 minutes
prior to your flight's scheduled departure time. We encourage all passengers to plan to arrive in
the gate area no later than this time.

10 minutes prior to scheduled departure time: All passengers must obtain their boarding passes
and be in the gate area available for boarding at least 10 minutes prior to your flight's scheduled
departure time. If not, Southwest may cancel your reserved space and you will not be eligible for
denied boarding compensation.

If you do not plan to travel on your flight: In accordance with Southwest's No Show Policy, you
must notify Southwest at least 10 minutes prior to your flight's scheduled departure if you do not
plan to travel on the flight. If not, Southwest will cancel your reservation and all funds will be
forfeited.

WHAT YOU NEED TO KNOW

Connectivity

Unfortunately WiFi and Live TV will not be available on our Hawaii services until mid-2016. Sorry we know it's a bummer, but not to worry, there's still a ton of awesome features for you to enjoy on our Red™ Entertainment System. You'll be able to kick back to a wide selection of on-demand movies and TV shows, music videos, interactive maps, pre-recorded TV channels, over 3000 MP3s, radio and games including classics like Pac Man and Asteroids — along with the first surround-sound listening experience to be offered by an airline.

We've also added loads of extra free content to our Hawaii services including television series such as the Netflix original series, House of Cards (seasons 1-3) and The Big Bang Theory. Power outlets are also available at every seat.
